### 1. Further Research – 87+ *NEEDS* for More Grant-funded Study

Page numbers represent the page where each topic arose for further study, as for another grant-funded study or dissertation research, all of them a much greater need than the million-dollar frog-to-prince work on the Texas and Angola Fools' Parade by the ISR Johnson team—all of them.

#### page

- 46, how psychopath prisoners *affect* the staff, and how they affect other prisoners
- 84, how many RPD directors have written academic articles or books, for which prison systems, and a national assessment
- 103, what is the psychological toll on staff from tricky prisoners, similar to 46
- 117, study the effect of prisoner psychopaths on fellow prisoners, on staff, and staff psychopaths on prisoners and fellow staff
- 141, compare extent & differences between Army, Navy, Air Force, healthcare, & prison chaplains who have written their memoirs, a complete annotated bibliography, & analysis of the institutions that fosters the most over those who fostered the least.
- 166, analyze RPD nefariousness for 10–25 years, disciplinaries, extent of staff modelling of duplicity to prisoners & how that affects prison peace & recidivism
- 195, compare horde of lawsuits & discern the ratio between the favored Christian & unfavored non-Christian lawsuits for trends of dominance between state prisons
- 195, compare the psychological benefits of religious gatherings that accrue in meetings themselves irrespective of the religious content
- 197, compare the Federally-mandated prison reforms that swept the country in 1970s & 1990s, & discern themes & similarities between state prison systems

- 198 & 199, discern the effect *The Angolite* on the peace in Angola during the time of its truly free press prior to 1995 Warden Burl Cain's censure before all witnesses die!
- 205, discern the effect of a king-style of warden upon truth from staff in a prison
- 206, discern the effect of persuasive captivating prisoners upon volunteers, catalogue & assess volunteer rule violations & near-rule violations, compare between states
- 222, compare the Right, far-Right, moderate, Left, & far-Left publications, civil liberty organizations, advocacy groups in, for, about prisons, & between states
- 234, discern & compare the number of Pagans in the Democrat & Republican parties
- 247, compare the top 20 Liberal *liberty* champions with top 20 Conservative champions, & them compare their sets on programs, funding, outreach, overreach, salaries, etc.
- 261, compare the relation between low/high education & moral failures in churches, religious 5.01(c)3s & above a certain level of funding & between faiths
- 275, discern *how* credibility & virtue in staff *affect* prisoners for prison peace & recidivism
- 307, discern precisely in any or all states the percentage of fees for money transfers from families to prisoners, especially the relation of abuse from poor families, and compare the actual costs, compare with free-world services, as some charge 37%
- 308, discern how TDCJ came to swallow the Prison scam amid a horde of controversy & missing a horde of flags, even this book & its previous six volumes
- 320, discern how a selection of criminological studies relate to & through John Dilulio's crime-religion nexus, & discern, survey major criminologists on its worth
- 331, discern the extent or relations of how Dominionism may be the older & stronger feuding cousin of the 1619 Project among other historical revisionists
- 355, study the Left & Right exposés of each other, especially the anti-Republican versus the anti-Democrat in a truly non-partisan fashion.
- 358, compare *all* statistics between chaplaincy, Windham ISD, & RPD programs in a first-ever full analysis, including funding & bang-for-buck evidence-based impact
- 361, analyze this book, how nefarious actions went unchecked, discover how so much escaped the executive directors & the TBCJ, who so much was covered up
- 370, discern the psychological elements that created Prison Scam & led TDCJ & other states to favor the smallest segment of Evangelicalism
- 377, discern the number of thoughtless actions: When will there be enough child torturer Field Ministers? How many is too many? Compare states doing the Scam for programs, schools, etc., similarities, differences, prison cost, volunteer salaries.
- 380a, discern the extent of the Polunsky Fiasco from the *Book of Secrets*, how it has been ignored, the extent of contraband cleaning, Dir. Collier's role, OIG absence
- 380b, discern if possible, the degree of agency sycophancy versus true openness to employee honesty & collegiality, i.e., nature of directors' & wardens' leadership
- 382, Norwood's forgiveness of Ulice Parker was truly outstanding, so discern if it was unique among prosecutors to allow such testimony to the Grand Jury, discern how many other times, & discern how to facilitate more justice for similar *accidents*
- 383, discern the nature of white-effusive over-compensation to poorer black as a cover for or mediation of latent or guilty racist feelings, as some of us white chaplains have observed in the overwhelming dominance of white volunteers in prison

- 390a, discern the reason for the vast dominance of white volunteers in prison in Texas, likely other states, over black & brown volunteers
- 390b, discern how 390a has been totally ignored in all criminological literature for the last 100-plus years through 2021, totally unstudied
- 391, analyze prison volunteer ages & proclivity for senior Evangelicals over 65 relative to Erikson's Eight Stages, other developmental theorems, similar to 401
- 394, discern the white papers & decision memoranda for major RPD decisions & compare them between states for top 10 or 20 major changes, similar to 84
- 400, discern the affect of corrupt staff on officer attrition & prisoner recidivism, as in the mentor-mentee authority pressures relative Professor Milgram's discoveries
- 401, compare the developmental theorems & their effects upon prisonization & recidivism, & prisons not utilizing the theorems, like 391
- 420, given the ratio of steady ratio of over 10/1 male/female prisoners forever, compare the influence men had on *leading* women to crime & into prison
- 421, compare in depth the in-prison rehab divisions on programs, recidivism rates, changes, bloating, as with Florida's Bridges to Life 5.01(c)3 obscene salaries
- 427a, discern which programs TDCJ's RPD started/cancelled because of *any* criminological study, paper, & compare to all 50 states' *utilization or not* of such studies
- 427b, compare the 50 states' prison RPDs comprehensively, similar to 427, 359, 116
- 427c, analyze prison equity relationships between prisoners, between staff, & between both
- 442, discern the extent of the Polunsky Fiasco ... identical to 380a
- 443, analyze the gulf between the plethora of criminology, sociology, psychology studies *in prison* & the lack of use of those studies, & then between state systems
- 448, analyze the difficulty of teaching prisoners empathy, as in my dissertation, yet determine what appears to be a greater difficulty teaching psychopaths
- 461, study the origins & extent of old Building Tender system in Texas, other states, if it originated from the Nazi concentration camps, all relations, before witnesses die
- 477, study the nature of the TDCJ wardens who were sent or volunteered to go to Angola & lean about he Prison Scam, funding, their honest feelings if possible
- 484, study the actual TDCJ cost of the Prison Scam in utilities, maintenance, classification officers, unit officers, warden salary time, chaplain staff time, all staff time
- 512, study TBCJ members' responsiveness to public letters & contact in Texas given that from their own minutes they never made actionable a single public comment in 12 years ... to analyze how representative they *truly* are, not what they *claim*
- 514, analyze my *TDCJ Deep State Report* for how much money RPD has literally wasted in employee shell games to cover up policy violations by the RPD Directors for 25 years & more, & how such was possible for so long even through 2021
- 523, analyze the eras between Texas & Louisiana & how the only significant change seems to take place not from the system recognizing abuses, but from Federal oversight
- 527a, discern precisely RPD's use of "evidence-based" programming, as in how, when, & what "evidence" led to which program, catalogue lies, compare with other states
- 527b, examine why TDCJ cancelled the unit staff athletic coach position, for it brought more good than most other programs in real "evidence" of peace, monitored fair competition,

- comradery, sociability, practice in positive social skills, etc.
- 543, analyze all the mom-&-pop volunteer prison programs to create a functioning network
- 546, analyze the finances and profile the volunteer orgs in prison volunteerism, religious and others claiming neutrality
- 563, discern & compare for sociological trends the Prison Scam's funding sources & other expensive volunteer programs upon prisoner unit sociability & recidivism for the sake of the donor-citizen interests & sociological trends
- 567, discern the decision processes that TDCJ used to retention of critical sociological data that destroys violence statistics after 7 years
- 574, same as 523, analyze the eras where only Federal force stopped abuse
- 576a, analyze the ACA funding & lobbying efforts
- 576b, analyze the ACA representation of wardens & in-prison staff versus non-in-prison staff & between states, & impact policy standards
- 576c, analyze the ACA director's obscene salary for a prison *standards* org
- 577, analyze religion's origin, role, & current status in ACA
- 578, analyze the nature of non-profit prison effectiveness as lowest bidder for human care
- 581, analyze role of chaplains as the first criminologists in American prisons
- 617, analyze role of Wilbert Rideau's "Sexual Jungle" article to the onset of & possible spur to the *beginning* of serious criminological study of prison sex & rape
- 621, Anthony M. Scacco Jr., author of *Male Rape: A Casebook* (1982), since there is so little about his life or work in the literature
- 638, same as 199, discern the criminological effects of *The Angolite* during the time of its truly free press prior to 1995 Cain's censorship
- 639, audit & study Lori Costantino's obscene salary from her in-prison program in Florida, apparently mostly prisoner- & state-funded
- 640, compare salaries of a state's prison volunteer orgs, compare between states
- 641, same as 199 & 638 ~ and 642, same as 618
- 652, same as 391, study ages of volunteers relative to Erikson's Eight Stages & more
- 658, study further the sexual conflicts in prison vis-à-vis religious conviction
- 679, study Professor Byron Johnson's work for other abnormalities
- 687, study Professor Byron Johnson's work in the light of this book
- 698, study ISR Johnson's work in Texas & Angola for statistical integrity & clarity in the light of the host of variables they purposely ignored, including staff & volunteers
- 729, discern the affect of good & bad officer upon their fellow staff & upon the prisoners, officer attrition & offender recidivism & coping
- 750 same as 199, 638, 641 – before witnesses die & get Rideau to be on team
- 8888 Study the wardens' part "10-6" prisoners who ended up serving LLLLLIFE!!! that is just being addressed by New Orleans DA Jason Williams, as seen in *Angolite* article by John Corley "Forgotten No More" (2021), more in bibliography for more**
- > **After all this work, perhaps a study of prison directors, tenures, and which came up through security ranks vs. other ways to discern differences ... > Discern how many other prisons are like TDCJ with no real self-initiated research**
