

7. *Imago Dei*—God the Source of Our Relationships

In the long history of the world, only a few generations have been granted the role of defending freedom in its hour of maximum danger. I do not shrink from this responsibility—I welcome it.... The energy, the faith, the devotion which we bring to this endeavor will light our country and all who serve it. And the glow from that fire can truly light the world.

Bridge Building 201: We Have a Beginning

We have seen the canyon strata of God's Omniscient-Omnipresence. We have looked at the mighty Colorado River torrent running deep and wild, ever cutting up new ground, how the divinely empowered Christ-Freedom Dynamic runs deep in the life of the Christian in resurrection power. Best of all, we have observed the changing hues and the blessedness of the colors of the canyon strata, earthy to the uttermost, radiating with the movement of the *Son*—always unique and yet of the same essence—the Shadow Dynamic of Prayer.
