Genesis

Gen 8:1 **But God remembered Noah & all the wild animals ...**

God sent a wind over the earth ... waters receded.

Of course, God *remembered* ... NOT as though God forgot ...

From Noah's & author Moses' perspective ... it was L O N N N N N G trip

Rained 40 days ... Water covered 150 days

So far, God has NOT spoken to Noah ...

Not until it was time to come out ...

on Noah's 601st Birthday ... perhaps

God shut them in ... for an entire YEAR

You know Noah had more than 3 sons ... at

500 yrs old, maybe he had 48 boys & 34 girls

What that means is ...

1,000s of great-grands - great-great-grandchildren ...

BEFORE the rain, how many little ones did

Noah bounce on his lap for the LAST TIME

For the first few months ... you know ...

5 And Noah did ALL that the Lord commanded him.

6-16 Noah 600 ... when the floodwaters came [repeats pairs of animals]

16 Animals going in were male & female of every living thing,
as God had commanded Noah.

Then the Lord shut him in.

Centuries—**MANY** *m a n y* people have called attention to *similarities ...*

THREE Most Common:

I. Judgment is Coming

II. God Provided a One Way of Escape

III. Come **INSIDE the Ark ... only **ONE DOOR****

Noah then removed the covering from the ark &
saw that the surface of the ground was dry.

“Come OUT of the ARK

you & your wife, & your sons & their wives.

17 Bring out every kind of living creature that is with you ... birds animals, all the creatures ... so they can multiply on the earth & be fruitful and increase in number on it.”

18 So Noah came out....
