

Baptist Faith & Message 1963 – Article III Man

Man was created by the special act of God, in His own image, and is the crowning work of His creation.... The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every man possesses dignity and is worthy of respect and Christian love.

The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

Scripture: “And the bow shall be in the cloud, and I will look upon it, that I may remember the everlasting covenant between God and every living creature of all flesh that is upon the earth.” — Genesis 9:16.

THE story of Noah’s preservation in the ark, is a suggestive representation of salvation by our Lord Jesus Christ. It is, we think, especially intended to depict that part of our salvation which lie s in the washing of regeneration.... *so forth into one eloquent message*
