MISSION

The mission of the Chaplaincy Department of the Texas Department of Criminal Justice (TDCJ) is to positively impact public safety and the reduction of recidivism through the rehabilitation and re-integration of adult felons into society. This is accomplished by the availability of comprehensive pastoral care, by the management of quality programming, and through the promotion of therapeutic religious community activities. It is the purpose of Chaplaincy to provide guidance and nurture to those searching for meaning in life and to those offenders who are in transition. Programs, activities and community participation are prudently managed wherein individuals have an opportunity to pursue religious beliefs, reconcile relationships and strengthen the nuclear family.

AUTHORITY

Administrative Directive: AD 07.30 (rev. 6)

It is the policy of TDCJ to extend to offenders of all faiths, reasonable and equitable opportunities to pursue religious beliefs and participate in religious activities and programs that do not endanger the safe, secure and orderly operation of the Agency. Participation in all religious activities and attendance at religious services of worship is strictly voluntary. No employee, contractor or volunteer shall disparage the religious beliefs of any offender or compel any offender to make a change of religious preference. Chaplaincy services shall strive to assist offenders who desire to incorporate religious beliefs and practices into a process for positive change in personal behaviors by offering meaningful, rehabilitative religious programming as an important tool for successful reintegration into society.

CIRC Update for January 2011

Bradshaw / Henderson

January 20, 2011 - The donor group has filmed a DVD to distribute to churches and other organizations to assist in raising money for this project. They state that things have not moved as fast as they would like.

Eastham Unit / Lovelady

January 20, 2011 - Marvin Dunbar, Janice Ulmer, Chaplain Drum, Warden Bell, Assist Warden Oliver and Keith Norman met at the Eastham Unit on January 13, 2011. The objective of the meeting was to update the new unit warden and address any concerns from the unit warden and the Mr. Norman (donor). Mr. Norman submitted a list of all renovations he planned for the gym. Mr. Norman stated he will provide all the labor (licensed electricians, plumbers, and contractors) and materials except for the power supply from outside the fence to the unit. Warden Bell requested that the electrical line be placed under the unit fencing rather than over the fence as originally discussed. Mr. Inmon had discussed the submission of a new Major Work Request containing the details of the work the donor will be providing and the work TDCJ will have to perform. To date, running the power from outside the fence to a pole on the unit for the A/C units and drawings for electrical work is all that is requested for TDCJ to perform. Donor group will install 4 10-ton AC units, 3 window units from office and 2 classrooms, 10 ceiling fans, build office, 2 classrooms, storage rooms and female bathroom, install insulation in ceiling and stain treatment on floor. Facilities also brought up that 36 inch doors would be more appropriate for the office and classrooms. Janice Ulmer will notify Mr. Norman of this change.

Jordan Unit / Pampa

January 20, 2011 - Mack Grant reports that the completion date has been moved to April 15th. The unit has volunteered to do the work required if the contractor will furnish the materials, i.e. fencing, posts, concrete. The price is down from \$14,000 to \$8,500. The donor group is still expecting reimbursement for the materials. Mr. Dunbar will bring this situation to Administration and Office of General Counsel for an opinion. On February 15th, this office has received information from the Donor group that they will pay for the change order on the fencing and the sidewalks.

Lychner / Humble

January 20, 2011 - No update at this time

Robertson / Abilene

January 20, 2011 - No update

Rudd Unit / Brownfield

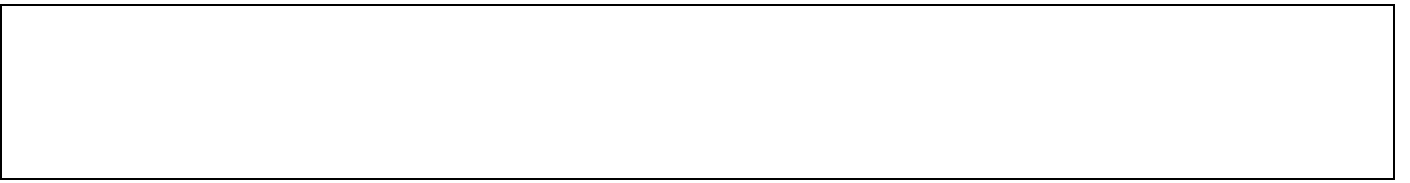

January 20, 2011 - The Donor group is asking under what circumstances is the payment or performance bond waived. The donor group was also asking about lowering the cost by letting the contractors work more hours in a day (day light to dark). Mr. Dunbar called the unit warden and the warden stated he could possibly let the contractor work 4 ten hour days.

San Saba / San Saba

January 20, 2011 - Donor states no updates at this time.

Torres Unit / Hondo

January 20, 2011 - The donor group is still fund raising.

SUPPLEMENTAL INFORMATION

The Chaplaincy Department of the Rehabilitation and Reentry Programs Division is committed to promoting an atmosphere, which allows those desiring spiritual wholeness, the necessary conditions for experiencing such. Emphasis is placed on the promotion and encouragement of family ties as well as other positive relationships, which will assist in the reintegration of offenders into society. Through the provision of religious services, one-on-one ministry, counseling and encouragement, offenders are given the capability of coping with the pressures, pain and consequently the reality of daily living. Chaplaincy, at the unit level, is dependent upon offender population and is staffed accordingly. Accommodations for unit Chaplaincy needs are based on such factors as population size and faith orientation. Unit programming is dependent on space and time allotment.

MISSION

The mission of the Chaplaincy Department of the Texas Department of Criminal Justice (TDCJ) is to positively impact public safety and the reduction of recidivism through the rehabilitation and re-integration of adult felons into society. This is accomplished by the availability of comprehensive pastoral care, by the management of quality programming, and through the promotion of therapeutic religious community activities. No employee, contractor or volunteer shall disparage the religious beliefs of any offender or compel any offender to make a change of religious preference. Chaplaincy services shall strive to assist offenders who desire to incorporate religious beliefs and practices into a process for positive change in personal behaviors by offering meaningful, rehabilitative religious programming as an important tool for successful reintegration into society.

-------------------------------------	---	-----------------------------------

MISSION

The mission of the Chaplaincy Department of the Texas Department of Criminal Justice (TDCJ) is to positively impact public safety and the reduction of recidivism through the rehabilitation and re-integration of adult felons into society. This is accomplished by the availability of comprehensive pastoral care, by the management of quality programming, and through the promotion of therapeutic religious community activities. It is the purpose of Chaplaincy to provide guidance and nurture to those searching for meaning in life and to those offenders who are in transition. Programs, activities and community participation are prudently managed wherein individuals have an opportunity to pursue religious beliefs, reconcile relationships and strengthen the nuclear family.

AUTHORITY

Administrative Directive: AD 07.30 (rev. 6)

Chaplaincy services shall be provided within TDCJ operated units or contracted facilities in order to serve offenders who desire to practice elements of their religion. It is the policy of TDCJ to extend to offenders of all faiths, reasonable and equitable opportunities to pursue religious beliefs and participate in religious activities and programs that do not endanger the safe, secure and orderly operation of the Agency. Participation in all religious activities and attendance at religious services of worship is strictly voluntary. No employee, contractor or volunteer shall disparage the religious beliefs of any offender or compel any offender to make a change of religious preference. Chaplaincy services shall strive to assist offenders who desire to incorporate religious beliefs and practices into a process for positive change in personal behaviors by offering meaningful, rehabilitative religious programming as an important tool for successful reintegration into society.

CIRC Update for July 2011

Bradshaw / Henderson

The donor group is going out and doing presentations to ministries, organizations, churches and groups in an effort to raise money for the project.

Darrington/Brazoria

This chapel renovation came up quickly. The donor group is expanding a bathroom, framing and dry walling office/classroom space, putting in new flooring and modifying the stage. The legal agreement was drawn up and has signatures from the donors and Mr. McGinty. The Notice to Proceed was issued, signed and returned by the donor. The renovation is to be mostly completed by the end of August for the Darrington's Seminary College Convocation ceremony. Mr. Dunbar and Ms Ulmer made a visit to the Darrington Unit and noted the progress made on the renovation. The office structure was up, the structure of the ceilings were installed in the two front room on each side of the stage and the modification to the stage was ready for audio/ visual wiring to be installed. The project is being monitored by Allen Tangler, Facilities Division

Eastham / Lovelady

Ms Ulmer had a meeting with Mr. Keith Norman and Rich Cox (Treasurer for Chapel of Hope – Eastham) to discuss the Legal Agreement. They had recommended changes which were reviewed and approved by Erik Brown from OGC. The new agreement has been forwarded to Mr. Norman and Mr. Cox to present to their Board. OGC's only concern was Mr. Cox's authority to sign the agreement. That concern was addressed in the email to Mr. Cox. The current status of the agreement is pending with the donor.

Jordan / Pampa

The donation forms at in the Business Office ready for TBCJ's signature at the August, 2011 board meeting.

Lychner / Humble

Robert Wallrath is the new president of the donor group, New Life Chapel Inc. They are moving full speed ahead with fund raising and meeting with other ministries for their support.

MISSION

The mission of the Chaplaincy Department of the Texas Department of Criminal Justice (TDCJ) is to positively impact public safety and the reduction of recidivism through the rehabilitation and re-integration of adult felons into society. This is accomplished by the availability of comprehensive pastoral care, by the management of quality programming, and through the promotion of therapeutic religious community activities. Programs, activities and community participation are prudently managed wherein individuals have an opportunity to pursue religious beliefs, reconcile relationships and strengthen the nuclear family.

AUTHORITY

Administrative Directive: AD 07.30 (rev. 6)

Participation in all religious activities and attendance at religious services of worship is strictly voluntary. No employee, contractor or volunteer shall disparage the religious beliefs of any offender or compel any offender to make a change of religious preference. Chaplaincy services shall strive to assist offenders who desire to incorporate religious beliefs and practices into a process for positive change in personal behaviors by offering meaningful, rehabilitative religious programming as an important tool for successful reintegration into society.

CIRC Update for September 2011

Bradshaw / Henderson

The donor group is doing presentations to raise money.

Darrington/Brazoria

The construction is 98% complete. The plumbing in the staff bathroom had some issues when they went to tie into the sewer lines and found out that it was not the correct lines. Mr. Allen Tangler, Facilities and the donor group are working to finalize this project. During the last rain, the Chaplain reported that the new roof was leaking. Since the donor group just completed renovations inside the chapel, this could impact the newly completed renovations.

Eastham / Lovelady

The legal agreement has been signed by the Donor and Mr. McGinty. The donor group, Mr. Norman and Ms. Durda-Withers, Facilities Division have been notified and the Notice to Proceed is in process.

Jordan / Pampa

The signed donation forms were sent to me the day after the CIRC meeting. All the paperwork has been finalized and the project is complete.

Lychner / Humble

SUPPLEMENTAL INFORMATION

The Chaplaincy Department of the Rehabilitation and Reentry Programs Division is committed to promoting an atmosphere, which allows those desiring spiritual wholeness, the necessary conditions for experiencing such. Emphasis is placed on the promotion and encouragement of family ties as well as other positive relationships, which will assist in the reintegration of offenders into society. Through the provision of religious services, one-on-one ministry, counseling and encouragement, offenders are given the capability of coping with the pressures, pain and consequently the reality of daily living. Chaplaincy, at the unit level, is dependent upon offender population and is staffed accordingly. Accommodations for unit Chaplaincy needs are based on such factors as population size and faith orientation. Unit programming is dependent on space and time allotment.

CIRC Update for September 2011

Bradshaw / Henderson

The donor group is doing presentations to raise money.

Darrington/Brazoria

The construction is 98% complete. The plumbing in the staff bathroom had some issues when they went to tie into the sewer lines and found out that it was not the correct lines. Mr. Allen Tangler, Facilities and the donor group are working to finalize this project. During the last rain, the Chaplain reported that the new roof was leaking. Since the donor group just completed renovations inside the chapel, this could impact the newly completed renovations.

Eastham / Lovelady

The legal agreement has been signed by the Donor and Mr. McGinty. The donor group, Mr. Norman and Ms. Durda-Withers, Facilities Division have been notified and the Notice to Proceed is in process.

Jordan / Pampa

The signed donation forms were sent to me the day after the CIRC meeting. All the paperwork has been finalized and the project is complete.

Lychner / Humble

The donor group is still in the process of raising funds.

Rudd Unit / Brownfield

CHAPLAINCY

Manager III Marvin Dunbar	Department or Program Head: Bill Pierce and Richard Lopez	Phone #: (936) 437-3028
-------------------------------------	---	-----------------------------------

MISSION

The mission of the Chaplaincy Department of the Texas Department of Criminal Justice (TDCJ) is to positively impact public safety and the reduction of recidivism through the rehabilitation and re-integration of adult felons into society. This is accomplished by the availability of comprehensive pastoral care, by the management of quality programming, and through the promotion of therapeutic religious community activities. It is the purpose of Chaplaincy to provide guidance and nurture to those searching for meaning in life and to those offenders who are in transition. Programs, activities and community participation are prudently managed wherein individuals have an opportunity to pursue religious beliefs, reconcile relationships and strengthen the nuclear family.

AUTHORITY

Administrative Directive: AD 07.30 (rev. 6)

Chaplaincy services shall be provided within TDCJ operated units or contracted facilities in order to serve offenders who desire to practice elements of their religion. It is the policy of TDCJ to extend to offenders of all faiths, reasonable and equitable opportunities to pursue religious beliefs and participate in religious activities and programs that do not endanger the safe, secure and orderly operation of the Agency. Participation in all religious activities and attendance at religious services of worship is strictly voluntary. No employee, contractor or volunteer shall disparage the religious beliefs of any offender or compel any offender to make a change of religious preference. Chaplaincy services shall strive to assist offenders who desire to incorporate religious beliefs and practices into a process for positive change in personal behaviors by offering meaningful, rehabilitative religious programming as an important tool for successful reintegration into society.
