MISSION

The mission of the Chaplaincy Department of the Texas Department of Criminal Justice (TDCJ) is to positively impact public safety and the reduction of recidivism through the rehabilitation and re-integration of adult felons into society. This is accomplished by the availability of comprehensive pastoral care, by the management of quality programming, and through the promotion of therapeutic religious community activities. It is the purpose of Chaplaincy to provide guidance and nurture to those searching for meaning in life and to those offenders who are in transition. Programs, activities and community participation are prudently managed wherein individuals have an opportunity to pursue religious beliefs, reconcile relationships and strengthen the nuclear family.

AUTHORITY

Administrative Directive: AD 07.30 (rev. 6)

Chaplaincy services shall be provided within TDCJ operated units or contracted facilities in order to serve offenders who desire to practice elements of their religion. It is the policy of TDCJ to extend to offenders of all faiths, reasonable and equitable opportunities to pursue religious beliefs and participate in religious activities and programs that do not endanger the safe, secure and orderly operation of the Agency. Participation in all religious activities and attendance at religious services of worship is strictly voluntary. No employee, contractor or volunteer shall disparage the religious beliefs of any offender or compel any offender to make a change of religious preference. Chaplaincy services shall strive to assist offenders who desire to incorporate religious beliefs and practices into a process for positive change in personal behaviors by offering meaningful, rehabilitative religious programming as an important tool for successful reintegration into society.

SUPPLEMENTAL INFORMATION

The Chaplaincy Department of the Rehabilitation and Reentry Programs Division is committed to promoting an atmosphere, which allows those desiring spiritual wholeness, the necessary conditions for experiencing such. Emphasis is placed on the promotion and encouragement of family ties as well as other positive relationships, which will assist in the reintegration of offenders into society. Through the provision of religious services, one-on-one ministry, counseling and encouragement, offenders are given the capability of coping with the pressures, pain and consequently the reality of daily living. Chaplaincy, at the unit level, is dependent upon offender population and is staffed accordingly. Accommodations for unit Chaplaincy needs are based on such factors as population size and faith orientation. Unit programming is dependent on space and time allotment.
