Dear Michael,

Unfortunately I could not find any JETS articles or reviews concerning Blackaby and King's *Experiencing God* workbook or the book. A quick Google search did yield some results, and I think this may even be a good place to begin.

Dear folks,

I have been a full member for decades.

I have an important question for an important project I am researching. Any help you can give will be appreciated.

I am looking for all reviews and articles and critiques of

Henry T. Blackaby, with Claude King, *Experiencing God* workbook (1990)

Henry T. Blackaby, with Claude King, *Experiencing God ...* the book.

Thanks for whatever help you can give.
