

# UTMB Reports on Psych Work in TDCJ 2022–2024

Law Broken by TDCJ & UTMB in 2021—ZERO Reports—*Then* Some in 2022

The following “e.” was given in the book, *TDCJ’s Christian Nationalist Frankenstein Must Die—Case of TDCJ Lying Cowardly Wardens versus TBCJ Top-Tier Attorneys’ Cover-Up Culture* (2025), hereafter referred to as *Frankenstein*, with a hard copy certified to 115+ stakeholders in March 31, 2025:

## e. On UTMB’s Psych Work in TDCJ—Follow Up on Zero Reports

**Maness 12-28-24** - I sent the following to follow up. UTMB balked, and after the back and forth, they appealed to the Texas AG, even for the “names” of the reports.

**2-8-25 – Got the Names from TDCJ** – as seen below.

For all of the emails and reports, as they come in during the months ahead, likely not until July to September 2025.

## CLARIFICATION on *When Texas Prison Scams Religion*

after finally getting a little information. Yet, in 2021, TDCJ had nothing, zero, referring to UTMB for reports and the UTMB scrambled and had nothing, not even the names of the reports TDCJ gave above. The following was published in *When Texas Prison Scams Religion* (2023) based on the OR requests in 2021.

Maness, *When Texas Prison Scams Religion* (2023), Chapter 2.C.4.

“TDCJ Has Nothing on Psychopaths—Zero UTMB Reports for \$314M!”

[www.PreciousHeart.net/Seminary/UTMB-Zero-TDCJ-Stats-2021.pdf](http://www.PreciousHeart.net/Seminary/UTMB-Zero-TDCJ-Stats-2021.pdf), where TDCJ and UTMB had *no reports*, and UTMB’s senior OR person struggled.

**On 12-28-24**, I did a follow-up OR, and UTMB balked again, seeking Texas AG’s approval and **even refused the names of the reports**; yet TDCJ properly gave the report names, see here for full package that will even be updated after this letter is sent.

## Maness 12-28-24 – the follow up from the nothing in 2021

Dear OR Coordinator for UTMB,

I am making an official Open Records request in a follow up of a request made in May of 2021 to Owen J. Murray, then Vice President UTMB Correctional Managed Care, asking for specifics on the psych work UTMB performs in TDCJ at a cost to TDCJ for \$314 million in 2021: see the extensive email exchange, as if no one has as ever asked for ANY psych reports, <http://www.PreciousHeart.net/Seminary/UTMB-Zero-TDCJ-Stats-2021.pdf> and which in 2024 TDCJ spend \$321 million, page 1, [http://www.TDCJ.texas.gov/divisions/cmhc/docs/cmhc\\_financial\\_reports/FY24\\_4th\\_Qtr\\_Report.pdf](http://www.TDCJ.texas.gov/divisions/cmhc/docs/cmhc_financial_reports/FY24_4th_Qtr_Report.pdf), an enormous sum for ZERO reports to TDCJ. Has UTMB continued the practice of ZERO reports to TDCJ on its psych care?

My OR request is five-fold:

1. How many prisoners in TDCJ are DSM-5 diagnosed with ASPD, Antisocial Personality Disorder?
2. List of the psych services provided TDCJ in FY 2024, kinds of counseling groups, counseling sessions, etc. given to prisoners.
3. Copies of any monthly, quarterly, annual reports created by UTMB for review, or whatever is compiled by UTMB for psych services to TDCJ for FY 2024.

4. Copy of all UTMB psych reports given to TDCJ in the last four FYs 2022, 2023, 2024 as any kind of an accounting for the millions of dollars TDCJ spent for those years.
5. Copy of basic staff titles and salaries of psych staff providing services to TDCJ for FY 2024.

**1-14-2015 – from UTMB Counsel Cynthia Tynan**

Good afternoon,

Attached, please find correspondence filed with the Attorney General's Office regarding your recent public information request to The University of Texas Medical Branch at Galveston.

Thanks, Cynthia Tynan

**1-14-2025 Maness to UTMB on ANY & Names**

Thank you Cynthia for your letter to the AG.

I fully realize UTMB is not obligated to create reports. Found that out two decades ago on TDCJ and few other state entities.

**Perhaps this is another OR request**, yet I am officially asking what reports you do have that you create regarding your psych services to TDCJ?

Are there **ANY** reports you send to TDCJ? That does not need an AG answer,

If so, what are the **names** of the reports? That does not need an AG answer either. Of course, if the list is long, then as you know, the only ones I am interested in are those regarding UTMB psych care in TDCJ. Maybe I should have asked first for the "**ANY**" first and "**names**"--whatever, and I apologize for any confusion.

While we can wait for weeks for the reply from the AG's office on your forward, and in light of that letter, may I ask for a simple answer implied in your letter regarding not having to create a report. I have waited over a month from time to time. Sometimes, that AG request was just to delay an answer.

Yet this request is simpler, are there **ANY** reports you regularly send to TDCJ on psych care? Yes X#, or none?

There is no issue of confidentiality of names in that request and no need for an AG response there. I have been doing OR requests on TDCJ for 25 years and am very familiar with the process, only not of your expertise, for certain.

**If none, then there is none.** If there are some, then what are the **names** of those reports please.

The last time I asked UTMB, a **few years ago, there simply were no reports**. Lady looked, and I documented our correspondence, and in the process I did get a list of the numbers of psychotics on the various units and the salaries of about a hundred. But she reported that UTMB did not create any annual, quarterly, or monthly reports for itself and did not send ANY to TDCJ.

Since I wrote a piece on that "no reports" from UTMB to TDCJ, I thought it wise to ask again, you know, to follow up.

1. The most important piece I need now is perhaps the simplest: **does UTMB send ANY reports to TDCJ on its psych care?**

2. At the risk of redundancy, if UTMB does, what are the **names** of the reports.

Those two questions do not need or require an AG answer.

Sincerely,

Michael G. Maness

**1-14-2025 - On UTMB Appeals to Texas AG – Refusing to Give “Names” of Reports**

I got a response from Cynthia Tynan, an assistant general counsel for OR for you all.

She has sent a request to AG on my request on your behalf.

She encouraged me to send this directly to you.

Goodness, the following do not need an AG response. And you can contact me directly, too, for clarification, as that is within the spirit of the OR law, and certainly saves all of us time, valuable time.

## **2-7-25 TDCJ Responds with Names of Reports from UTMB**

Dear Mr. Maness,

Thank you for your inquiry regarding the Texas Department of Criminal Justice (TDCJ) psychiatric care contracts.

TDCJ receives the below reports from the University of Texas Medical Branch (UTMB):

- Monthly UTMB CMC Mental Health Services Staffing Vacancy Report
- Daily Census Report for MHTDP
- Gender Dysphoria Monthly Summary Report
- Quarterly BHF Census (Year to Date)
- Mental Health Services DDP Statistics

As you can see, these reports primarily consist of statistical data and census information, and do not provide detailed insights into the specific care provided to individuals.

Your request is now closed.

Thank you,

## **Maness to TDCJ - 2-13-25 – Copies of 5 Reports**

Thank you very much.

I would like copies of those reports, prefer Excel for tables, PDF for others, for the last Fiscal Year ending I believe in Sept. 2024, with freedom to redact personal info, please:

- Monthly UTMB CMC Mental Health Services Staffing Vacancy Report
- Daily Census Report for MHTDP
- Gender Dysphoria Monthly Summary Report
- Quarterly BHF Census (Year to Date)
- Mental Health Services DDP Statistics

Sincerely,

[www.PreciousHeart.net/Seminary/UTMB-2024.pdf](http://www.PreciousHeart.net/Seminary/UTMB-2024.pdf) > >

Believe it—there is **no TDCJ operational use for any of the UTMB reports**, especially the identification of the Antisocial Personality Disorders for any in-prison staff help. Of course, the **DSM-5 does not yet diagnosis the “psychopath,”** though when it does it will include the classic work of Robert Hare’s “Gold Standard” assessments, as explained in chapter 2 of *When Texas Prison Scams Religion* (2023) and still ignored by TDCJ.

---

**^ end of appendix published in the *Frankenstein* letter sent to 115+ stakeholders ^**

---

**FOLLOWING was given by TDCJ as UTMB appealed to the Texas AG for a response.**

After the names of the reports given by TDCJ (that UTMB refused to give), I requested copies of the reports.

I guess I could have organized the responses better. I just combined all the PDFs of the reports from TDCJ along with the UTMB letter to the AG appealing, as UTMB did not want to give the reports. Notice on the reports given, that there is nothing useful to TDCJ admin on dealing with severe psych patients. STILL nothing on prisoners with antisocial disorders, and, as predicted, nothing on psychopathy.

As the info allowed by the TX AG from UTMB, those will be added when they come. Do not expect anything significant.

*More to come ...*

**Re: Public Information Request from Michael Maness to The University of Texas  
Medical Branch at Galveston -- OGC# 219106**

On January 15, 2025, The University of Texas Medical Branch at Galveston ("University") received a request for information from Michael Maness ("Requestor"). The University subsequently sent the request to The University of Texas System ("UT System") for handling with your office.

In accordance with section 552.301 of the Texas Government Code, we now send this request for decision within ten business days from the date the request was received, excluding the January 20, 2025, Martin Luther King, Jr. Day, when the University was closed. UT System has copied the Requestor on this letter brief in accordance with section 552.301(d).

The Requestor seeks access to the following information:

*Perhaps this is another OR request, yet I am officially asking what reports you do have that you create regarding your psych services to TDCJ?*

*Are there ANY reports you send to TDCJ? That does not need an AG answer,*

*If so, what are the names of the reports? That does not need an AG answer either.*

*Of course, if the list is long, then as you know, the only ones I am interested in are those regarding UTMB psych care in TDCJ. Maybe I should have asked first for the "ANY" first and "names"--whatever, and I apologize for any confusion. While we can wait for weeks for the reply from the AG's office on your forward, and in light of that letter, may I ask for a simple answer implied in your letter regarding not having to create a report. I have waited over a*

*month from time to time. Sometimes, that AG request was just to delay an answer. Yet this request is simpler, are there ANY reports you regularly send to TDCJ on psych care? Yes X#, or none?*

Please note the information responsive to the request is also responsive to the prior request for information submitted to your office as OGC# 218970. Please consider this request jointly with the prior request. The responsive information was submitted with OGC# 218970. Although the Requestor seeks the names of reports the University sends to TDCJ, the University does not maintain a list of responsive reports. Rather, the names of the reports are found within the reports responsive to the prior request.

As with the prior request, the University takes no position on the release of the remaining requested information but notifies you of possible third-party concerns.<sup>1</sup> The University has notified the affected third party of the request and sent notice to advise it of its opportunity to object to the release of its documents. The third party has not agreed to the release of the information at issue.

Responsive information may be excepted from disclosure under certain provisions in the Texas Government Code. Specifically, sections 552.101, 552.104, 552.110, 552.113, and 552.131 may apply if the requested information reveals company trade secrets, financial and commercial/competitive information including, but not limited to, the pricing structure and details of the services provided by the third party. Therefore, the University will withhold this information pending a decision from your office.

In summary, the University requests your opinion to afford the affected third party the opportunity to object to the release of its information in accordance with section 552.305 of the Texas Government Code.

All interested parties are listed below. If you need additional information, please do not hesitate to contact me at 512-499-4505.

Sincerely,

Additionally, the Open Records Division of the Texas Attorney General's Office has found that the University may withhold PHI under section 552.101 in conjunction with section 181.006 of the Health & Safety Code and in accordance with previous determination issued in OR2016-13184A. Accordingly, the University will withhold the requested PHI.
